Office of the Legislative Counsel

Wednesday - 25 January 1961

Sam Crosby telephoned saying that Representative George H. Mahon had requested Mr. Crosby to call me for a list of Agency appearances before the Congress during the last session. Mr. Crosby added that Mr. Mahon wished to talk further with Mr. Cannon. (This is in obvious reference to Mr. Cannon's expression to Mr. Dulles at the morning meeting that the small Subcommittee should be the only committee before which Mr. Dulles testified.) I immediately dispatched a list simply giving the date, name of the Committee and principal witness.
